General response: We are pleased to resubmit for publication the revised version of... . We sincerely thank the editor and all reviewers for their valuable feedback that we have used to improve the quality of our manuscript. The reviewer comments are laid out below in *italized font* and specific concerns have been numbered. Our response is given in normal font and changes/additions to the manuscript are given in [blue text](#). We hope the revised version is now suitable for publication and look forward to hearing from you in due course.

1 Response to Associate Editor

Associate Editor Comment 1

This work proposed a new method to address...

Response

We are pleased that you offered us an invitation to revise our work for...

2 Response to Reviewer 1

Reviewer 1 Comment 1

This work proposed a new method to address...

Response

We thank the Reviewer for the positive comments about our work and manuscript. Below, we address every comment carefully and explain the corresponding changes in the manuscript.

Reviewer 1 Comment 2

Nevertheless, I personally do not agree with some of the views of the authors...

Response

We thank the reviewer for this comment and we agree with him/her. We have rewritten the paragraph following his/her comments:

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an [unknown printer](#) took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s [the release of Letraset sheets containing Lorem Ipsum passages](#), and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

3 Response to Reviewer 2

Reviewer 2 Comment 1

I would like to see a few add ons to substantiate the approach in particular regarding its limits...

Response

We want to thank the reviewer for this comment. In order to satisfy this petition we have added a new Subsection...
