### Response

We are pleased that you offered us an invitation to revise our work for...

## 2 Response to Reviewer 1

### Reviewer 1 Comment 1

*This work proposed a new method to address...*

#### Response

We thank the Reviewer for the positive comments about our work and manuscript. Below, we address every comment carefully and explain the corresponding changes in the manuscript.

### Reviewer 1 Comment 2

*Nevertheless, I personally do not agree with some of the views of the authors...*

#### Response

We thank the reviewer for this comment and we agree with him/her. We have rewritten the paragraph following his/her comments:

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an [unknown printer](#) took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s [the release of Letraset sheets containing Lorem Ipsum passages](#), and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

### 3 Response to Reviewer 2

#### Reviewer 2 Comment 1

*I would like to see a few add ons to substantiate the approach in particular regarding its limits...*

#### Response

We want to thank the reviewer for this comment. In order to satisfy this petition we have added a new Subsection...
